#### **PROGRESS IN MEETING MISSION AND GOALS**

1. **Goal – Expand the supply of assisted housing** – The Grundy Housing Authority continues to reduce public housing vacancies and unit turn-around time.
2. **Goal – Improve the quality of assisted housing** - The GHA is making extra efforts to keep residents better informed of PHA policy and programs through frequent notices and meetings related to the Agency Plan process.

The GHA has improved its financial management practices through the implementation of GAAP (General Accepted Accounting Practices) Conversion.

The GHA is continually upgrading and modernizing its public housing units. With the inception of the Capital Fund Program, we are now able to better plan and implement improvements.

3. **Goal – Increase assisted housing choices** – The GHA continues to make local referrals to encourage resident homeownership opportunities.
4. **Goal – Provide an improved living environment** – The GHA will continue to promote income mixing and the deconcentration of poverty. The GHA implements the admissions preference for employment or income derived from wages earned.

The GHA will continue to coordinate drug and crime prevention efforts with the Grundy County Sheriff's Office. The Sheriff's Office provides on-going crime data to the GHA for analysis and action. The GHA targets at-risk youth and adults in the various on-going activities conducted in the GHA community building. These efforts have had a positive influence on the residents, and are helping to assure the safety of the public housing residents.

The GHA has 30 units designated for elderly and persons with disabilities.

5. **Goal – Promote self-sufficiency and asset development of assisted households** – Under the current ACOP, we give preference to working families to help increase the number of employed persons in assisted living. The GHA also promotes adult education and GED classes.
6. **Goal – Ensure equal opportunity and affirmatively further fair housing** – The GHA continues to operate its public housing program to ensure equal access to all regardless of race, color, religion, national origin, sex, familial status and disability. Our inspections, maintenance and modernization programs are spread equally among all of our developments.
